

**Customer Information Regarding RoHS
EU Directive 2011/65/EU, as amended**

Dear Sir or Madam,

We would like to take this opportunity to provide our customers with information regarding frequently asked questions about RoHS.

Compliance with the requirements of EU Directive 2011/65/EU—including all amendments and supplements in their currently valid versions—for products supplied by Reh fuss Drive Solutions GmbH is confirmed in the respective product-specific EU Declaration of Conformity; this document is available on our website or can be requested from us.

For technical reasons, individual components within our products may contain lead or other substances covered by the RoHS Directive. Such substances are used in accordance with the currently valid permitted exemption 6(c) set out in Annex III of the RoHS Directive.

In this regard, we apply the currently valid permitted exemptions in accordance with Annex III, exemption 6(c), of the RoHS Directive.

Should you have any further questions regarding the RoHS Directive as it applies to products from Reh fuss Drive Solutions GmbH, please contact us via e-mail at info@rehfuss.com.
